## K&B BRIDALS

At K & B it is about more than just shopping for a dress. It is about the experience of finding the perfect wedding gown that makes you feel gorgeous on your wedding day... the day that marks a new beginning in your life. Our personal goal is to create a one of a kind shopping experience while helping you find the perfect wedding dress that is unique to you and your wedding day. We carry a large selection of gorgeous designer wedding gowns from designers such as: Maggie Sottero, Allure, Martina Liana, Wtoo, Beautiful by Enzoani amp; Blue by Enzoani as well as a custom designer for Indian and Pakistani wedding dresses. After pairing you with a fabulous gown and accessories, we help you choose silhouettes, details and a color scheme for your bridal party that will compliment your look. Working with your bridesmaids, moms, and men, we help you create a fashion story that perfectly accompanies your day-of wardrobe.

We are located inside of Be More Inspired Wedding Studio where we share space with five award-winning partners who can help you with all of your wedding day needs. From stunning custom accessories, gorgeous design and planning help, lush floral design, elegant hair amp; makeup and seamless honeymoon amp; destination wedding help; you can choose to be more inspired by one or all of the partners inside the studio.
